Shenandoah Valley Watercolor Society

Garden Jungle by Leigh Crumrine

Our group meets monthly to share information on opportunities for artists to expand their painting experiences. We enjoy workshops taught by accomplished artists to increase our understanding of tools and techniques. Our members' artwork is displayed in a variety of ways throughout the area and all levels of experience are welcome!

Check out our website for more information including how to join, where we meet and upcoming activities. We look forward to seeing you at one of our next meetings!
